**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT  
ABANDONED UNINTENTIONAL UNDER 37 CFR §1.137(b)**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

The undersigned declares and states as follows:

1. United States Patent Application Serial No. 09/744,793 was nationalized in the United States Patent and Trademark Office on January 30, 2001 from an International Application No. PCT/US99/17422, published as WO 00/07001.

2. A Notification of Missing Requirements under 35 U.S.C. § 371 dated February 27, 2001 was received by the undersigned attorney on March 5, 2001. A copy of this Notice is attached to this position as Exhibit A.

3. The undersigned attorney of record submitted a response to the Notification of Missing Requirements, which included copies of signed declarations by the listed inventors, a Request for a one-month extension of time including a statutory fee of \$55.00 for a small entity, and a copy of the Notice of Missing Requirements were

submitted on May 3, 2001. Copies of these papers are attached to this Petition as Exhibit B.

4. On September 28, 2001, the undersigned attorney submitted a Request for a Filing Receipt for this case since one had not been received. A copy of this Request is attached to this Petition as Exhibit C.

5. On October 2, 2001, the undersigned attorney submitted a Status Request for this case advising the U.S. Patent and Trademark Office that the Applicant had filed a response among several other items but that no communication had been received since the Notification of Missing Requirements. A copy of this Request is attached to this Petition as Exhibit D.

6. Applicants' attorney received correspondence from the U.S. Patent and Trademark Office dated November 21, 2001 in response from the Status Request mentioned above. The correspondence stated that U.S. Application no. 09/744,793 is considered abandoned. A copy of this correspondence is attached to this Petition as Exhibit E.

7. No other Notice of Abandonment has been received in this case from the United States Patent and Trademark Office.

8. In reviewing the papers submitted to the U.S. Patent and Trademark Office it was noted that the items referred to above in paragraph 5 and attached as Exhibits B and C were inadvertently identified as Application No. 09/486,301 instead of the correct Application No, 09/744,793. However, all the other identifying information listed in these items was correct.

9. The undersigned submits concurrent with this petition a Response to Notification of Missing Requirements correctly identified for Application Serial No. 09/744,793, a copy of the Notification dated 27 February 2001, a copy of the signed Declaration, and a post card.

10. The undersign states that the entire delay in filing the required Response from the due date of the Response until filing of the grantable petition pursuant to 35 U.S.C. §1.137(b) was unintentional.

11. The undersigned hereby petitions the Commissioner to revive the Subject Application.

12. The Applicant is a small entity as defined in 37 C.F.R. §1.27. A check for the amount of \$640.00 as a statutory fee under 37 C.R.F. §1.17(m) is enclosed for this Petition to Revive the Subject Application. Additionally, the Commissioner is hereby authorized to provide any extensions of time which may be necessary and charge any additional fees which may be due or credit any overpayment to Deposit Account No. 23-3030, but not to include the payment of any issue fees that are or may become due.

13. I declare that all statements made herein of my own knowledge are true and that all statements made on information are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of
